

# Hosanna, Loud Hosanna

## Capo 3

G Em C D G  
"Hosanna, loud hosanna," the little children sang  
G Em C D G  
Thro' pillared court and temple the lovely anthem rang  
G D G D  
To Jesus, who had blessed them close folded to His breast  
G Em C D G  
The children sang their praises the simplest and the best

G Em C D G  
From Olivet they followed 'mid an exultant crowd  
G Em C D G  
The victor palm branch waving and chanting clear and loud  
G D G D  
The Lord of earth and heaven rode on a lowly state  
G Em C D G  
Nor scorned that little children should on His bidding wait

G Em C D G  
"Hosanna in the highest!" that ancient song we sing  
G Em C D G  
For Christ is our Redeemer, the Lord of heav'n, our King  
G D G D  
O may we ever praise him with heart and life and voice  
G Em C D G  
And in His blissful presence eternally rejoice

Traditional melody/Text by Jenette Threlfall
