

# Near the Cross

---

F      F/A      Bb  
Jesus, keep me near the cross  
F                      F/C C  
There a precious fountain  
F      F/A      Bb  
Free to all, a healing stream  
F/C                      C7      F  
Flows from Calvary's mountain

F                      Bb  
In the cross, in the cross  
F                      F/C C  
Be my glory ever  
F      A7      Bb  
Till my raptured soul shall find  
F/C                      C7 F  
Rest beyond the river

F      F/A      Bb  
Near the cross, a trembling soul  
F                      F/C C  
Love and mercy found me  
F      F/A      Bb  
There the bright and morning star  
F/C                      C7      F  
Sheds its beams around me

F      F/A      Bb  
Near the cross! O Lamb of God  
F                      F/C C  
Bring its scenes before me  
F      F/A      Bb  
Help me walk from day to day  
F/C                      C7      F  
With its shadows o'er me

F      F/A      Bb  
Near the cross I'll watch and wait  
F                      F/C C  
Hoping, trusting ever  
F      F/A      Bb  
Till I reach the golden strand  
F/C                      C7      F  
Just beyond the river
