

# Oh Lord, You're Beautiful

---

E // A / E/G# / B // A/B //

E E/G# A E/G# B  
Oh Lord, You're beautiful  
E E/G# A E/G# B  
Your face is all I seek  
C#m G# C#m B/D# E E/G#  
For when your eyes are on this child  
A B A E  
Your grace abounds to me

[repeat]

E A E/G# F#m E B  
I want to take Your word and shine it all around  
E A F# B  
But first help me just to live it Lord  
E A E/G# F#m B C#m  
And when I'm doing well help me to never seek a crown  
A E/G# F#m B E A E/G# B A/B  
For my reward is giving glory to You

E E/G# A E/G# B  
Lord please light the fire  
E E/G# A E/G# B  
That once burned bright and clear  
C#m G# C#m B/D# E E/G#  
Replace the lamp of my first love  
A B A E  
That burns with holy fear

[chorus]

E E/G# A E/G# B  
Oh Lord, You're beautiful  
E E/G# A E/G# B  
Your face is all I seek  
C#m G# C#m B/D# E E/G#  
For when your eyes are on this child  
A B A E  
Your grace abounds to me
