

The Glory of Your Name

F/A Bb Dm C F/A Bb Dm C

It was in the way You came, as a lowly babe

That Your glory was displayed

And it was in the sacrifice, of the purest life

It was in Your Father's will obeyed

The perfect Lamb that was slain

And there's the glory of Your name

No other one, no other way for me to see

You took my place, You are the way

And there's the glory of Your name

Yes, there's the glory of Your name

It was in Your victory, risen for the world to see

That all who would believe could enter in

And it is in the passionate price, now demanding all my life

And beating in the chambers of my heart

The perfect Lamb that was slain

And there's the glory of Your name

No other one, no other way for me to see

You took my place, You are the way

And there's the glory of Your name

Yes, there's the glory of Your name

The glory of Your name
